Re: Modified General State Operating Permit for Concrete Plants No. 9900-0150

Dear Ms. Stevenson:

Enclosed is a modified General State Operating Permit for Concrete Plants No. 9900-0150. This modified permit is being issued to incorporate changes into your existing State Operating Permit as described in the enclosed Record of Revisions. This modified permit has the same expiration date as your previous General State Operating Permit for Concrete Plants and will remain valid through July 31, 2012.

It is important for you and/or an authorized representative responsible for the overall operation of this facility to read this issued permit carefully and to understand all requirements. If any errors or omissions are discovered, please notify Christopher Hardee of my staff, via e-mail at [hardeecd@dhec.sc.gov](mailto:hardeecd@dhec.sc.gov), or call (803) 898-0039 immediately.

Pursuant to the South Carolina Administrative Procedures Act, any Department decision involving the issuance, denial, suspension, or revocation of a permit or certification may be appealed by the applicant, permittee, licensee, or affected person. Please see the enclosed "Notice of Appeal Procedure" for guidelines on filing an appeal.

Sincerely,

Elizabeth J. Basil  
Director, Engineering Services Division  
Bureau of Air Quality
